FIRST STAR CSUSB IMPACT

2023-2024 ACADEMIC YEAR

LIFE SKILLS AND SELF DISCOVERY

- Students participated in a financial literacy workshop with David Friedman, co-founder of Realicore Real Estate and co-founder of Viva La Boba, and a community activist for under-represented local entrepreneurs. Additionally, students participated in a Bite of Reality workshop with Thinkwise Credit Union, which provided them with an opportunity to make real-world decisions regarding money, budgeting and time-management.

HEALTH AND WELLBEING

- Scholars practiced seated meditation
- Scholars worked together in the Courage Miller Partners Challenge Course to better understand teamwork through physical challenges
- Staff and scholars hosted Family Circles each day to discuss issues relevant to the foster youth experience to build community

CAREER EXPLORATION

- The theme of Summer Academy 2024 was business and entrepreneurship. Although many students may not have an interest in this career, many of the workshops and speaking engagements included themes that positively impacted student development in general, including building your brand, building your vision, setting SMART goals, understanding and conveying your values, working as a team, and leadership development.

LEADERSHIP AND SELF ADVOCACY

- The students participated in a storytelling and writing workshop with the Plus Me Project, which prepares students for writing personal statements, responses to personal inquiry questions, and scholarship applications. Although it is primarily to prepare students for the college application process, but the workshops are rooted primarily in Social Emotional Learning, exploring themes such as self-advocacy, building insight and self-awareness, developing strengths and areas of development, communication, and building community.

COLLEGE READINESS

- Summer Academy 2024 was hosted at UC Riverside, which provided students with an immersive college experience, including a campus tour, workshops/activities held in college classrooms and lecture halls, residing in the dorms, and dining in the student commons. Students received an overview of the CSU application, the UC application and the Common Application. As part of the closing ceremony, students and parents/caregivers received an overview of financial aid and the FAFSA/CADAA.
