ABOUT FIRST STAR UM ACADEMY

UNIVERSITY OF MIAMI

The Children and Youth Law Clinic at the University of UM Law School is a key partner, along with UM's School of Education and Human Development, in implementing the First Star University of Miami Academy – a holistic college prep program for youth impacted by the child welfare system. Foster youth can get tuition waived at Florida state colleges, but lacking the skills, study habits and support, foster youth inevitably drop out. First Star's goal is to change that and lay a foundation for success.
